**S**tudents of Jain University — CMS and Mount Carmel College (MCC) showed off their talent at Freshers' Day and Cul Week, respectively. While, first year students made the most of the Freshers' Day and danced their heart out, Cul Week was a three-day extravaganza that saw the MCC campus come alive. Over 100 events were organised at Cul Week, where each day had a different theme. Standup comedian Sonali Thakker performed on the last day of the fest.
